

Policy IGBI: HOME SCHOOLING

Status: ADOPTED

Original Adopted Date: 01/23/2020 | **Last Revised Date:** 10/01/2024 | **Last Reviewed Date:** 10/01/2024

The district recognizes the right of parents/guardians to choose to educate their children outside the public school system but encourages parents/guardians who homeschool their children to meet with district staff and explore educational opportunities within the district. District staff are directed to conduct outreach to homeschooling families to ensure that they have knowledge of all the district's programs.

For the purposes of this policy, the term "home schooling" will include both formal education of a student in their home or other private setting by parents/guardians or a tutor as well as Family Paced Education (FPE), where the student is home schooled but also participates in the state's tax credit voucher program, the Missouri Empowerment Scholarship Accounts Program.

Written Declaration

To minimize unnecessary truancy investigations, parents/guardians or others who home school a child living in the district may provide the district with a written and signed declaration of enrollment. Such declaration should state their intent for the child to attend a home school, be provided to the district within 30 days of establishing the home school, and be resubmitted annually by September 1. District staff who receive a declaration of enrollment must forward it to the district's central office.
